

Louisiana ranks low in governmental ethics laws*

*The Center for Public Integrity

How long do we wait for higher ethical standards?

It's time to change Louisiana's reputation for corruption and toughen our ethics laws. That's why Blueprint Louisiana, with input from people like you, has developed a reasonable plan for financial disclosure by legislators. And we need your help. Spend five minutes at www.blueprintlouisiana.org to learn how you can improve not only ethics, but education, health care and roads, too.

Together, we will make it happen.
