

Louisiana receives
an F in quality and
safety of roads*

*TRIP

How long do we stall our trans- portation?

It's time to fix traffic congestion and make Louisiana a transportation hub for the nation. Blueprint Louisiana, with input from people like you, believes we can make our roads and ports the finest in the country. And we need your help. Spend five minutes at www.blueprintlouisiana.org to discover how you can assist in improving not only roads, but ethics, education and health care, too.

Together, we will make it happen.
